Somerset Local Authority (LA)

Admission Arrangements applying to Community (C) or Voluntary Controlled (VC) Schools

Transferring to a Community or Voluntary Controlled Secondary or Upper School in September 2016 or joining any year group during the 2016/17 academic year

Somerset LA is the Admissions Authority for all C and VC Secondary and upper schools located within Somerset.

These admission arrangements should be read in conjunction with the LA 2016 coordinated admissions scheme.

Applications to transfer to any secondary or upper school - should be submitted on-line at www.somerset.gov.uk/admissions. It is the parent's responsibility to keep online contact details up to date. Paper applications are available to download from the Somerset County Council website at www.somerset.gov.uk/admissions, or upon request by telephoning Somerset Direct on 0845 4564038. Any supporting information must be received by the exemption period deadline using the appropriate Supplementary Information Form (SIF).

Applications and SIFS must be received by 23:59 hours on 31 October 2015, otherwise the application will be recorded as late and cannot be considered until all on time applications have been dealt with.

Decisions in connection with on time applications will be sent out by email (for on line applicants) or second class post sent out on 1 March 2016.

Admissions during the academic year - must be submitted directly to the school using the LA in-year application form (hard copy only)

Applications will be processed in strict date order with a 4pm daily working day deadline for receipt of applications. A decision will be notified in writing by second class post to the applicant within ten school days. Where a place cannot be provided, the right of appeal will apply.

Proof of address may be required to be submitted with the application. This will be either the formal 'exchange of contracts' letter from the solicitor for a house purchase, a recent utility bill or the signing of a minimum of a six month tenancy agreement. The Local Authority reserve the right to seek further documentary evidence to support a claim of residence.

Where there are more applications than places available within a particular year group, applications will be considered against the published oversubscription criteria and allocated up to the Admission Number.
Places will not be allocated more than six school weeks or half a term in advance of being required.

**Oversubscription Criteria**

Places will be allocated strictly in accordance with the Equal Preference with Ranking allocation method.

The school will be required to admit any child with a Statement of Special Educational Needs (SEN) or an Education, Health and Care plan (EHC) if the school is named, then;

1. Children Looked After – Children who are in the care of a Local Authority or have previously been and are now formally adopted or subject to a residence/child arrangement order or special guardianship order. (See important note 1)

2. Children without a statement of Special Educational Needs, identified with a sensory, physical or medical disability (High Needs Pupils), where a multi-agency professional team has identified the school as the nearest suitable school (see important note 2)

3. Children living in the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.

4. a) Children of staff employed by the school for at least two years prior to the application closing date.
   b) Children of staff recruited to fill a vacant post for which there is a demonstrable skill shortage. (See important note 3)

5. a) Children living in the rural catchment area. (See important note 4)
   b) Children living in the catchment area.

6. Children living outside the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.

7. Children living outside the catchment area and registered in a Middle school (within the transfer school catchment area).

8. In VC schools with a religious foundation:
   a) Children and/or parent(s) who are practising members of the founding – religious body of the school (eg, Anglican or Methodist).
   b) Children and/or parent(s) who are practising members of other churches or religious denominations. (See important note 5)

9. Children not satisfying a higher criterion
Important Notes:

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989).

2. Criterion 2 enables schools to plan with SEN Officers for the school entry of children with physical, medical or sensory impairments. This includes children that are in receipt of Early Years School Action Plus funding at level 3 and/or where significant capital works (eg, accessible toilets, changing space, access to classrooms) are required and/or children that are identified as requiring a place at a Resource Base attached to a mainstream school.

3. Criterion 4 - The Head Teacher or Governing Body of the relevant school will be asked to verify point b.

4. ‘Rural catchment’ is defined as living in the catchment area of a school where there is no alternative school within the statutory walking distance of the home address.

5. "Practising" is defined as at least once a month for at least six months prior to the application closing date, attendance at church by at least one parent and/or child. This must be confirmed by a member of the clergy on a supplementary information form.

6. In the event of oversubscription within any of the over-subscription criteria listed above, preference will be given to applicants who live closest to the school, as measured in a straight line by a Geographical information System (GIS) method from the address point of the school site to the address point for the pupil’s home. Where two distances are equal and it is therefore not possible to differentiate between them, priority will be determined by independent drawing of lots.

7. Criterion 4, 8 and 9 – Children considered under sub-criteria a) will have a priority over children considered under sub-criteria b).

Distance Measurements
For the purpose of measuring home to school distance, all calculations will be measured using a straight-line measurement from the address point of the home to the address point of the school using the LA’s GIS mapping system. (Address Point is a dataset that uniquely defines and locates residential, business and public postal addresses in Great Britain. It is created by matching information from Ordnance Survey digital map databases with more than 27 million addresses recorded in the Royal Mail). In the case of multi-level dwellings such as flats, the staircase will be included in the distance measurement.
**Equal Preference with Ranking**
The equal preference with ranking allocation system requires the admission authority to consider all preferences received for a particular school (first, second, third, fourth and fifth) equally and, where the school is oversubscribed, apply the oversubscription criteria. Where more than one preference can be met the local authority will offer the highest ranking preference.

**Home Address**
The home address is very important, as school places are allocated on the basis of the home address of each child. A child’s home address is considered to be where the child spends the majority of their time with parents or carers.

Documentary evidence of home ownership or suitable rental agreement may be required, together with proof of permanent residence at the property concerned. Places cannot be allocated on the basis of an intended future address, unless the house move can be confirmed through the formal ‘exchange of contracts’ or the signing of a minimum of a six month formal tenancy agreement from a letting agency. Please note private letting agreements may not be accepted as proof of residence. An address change due to a move to live with family or friends will not be considered until the move has taken place and suitable proof of residency has been obtained. Proof that a move from the previous address has taken place may also be required eg proof of exchange of contracts, a tenancy agreement showing the end date of the tenancy or a notice to quit from the landlord or repossession notice. The Local Authority reserve the right to seek further documentary evidence to support any claim of residence which could include contacting the estate agent, solicitor landlord or relevant professional. A representative of the Local Authority may carry out a home visit/s without prior notice to verify a pupil’s home address.

An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. Fraudulent claims relating to the home address of a particular child may lead to the withdrawal of any offer of a school place.

Proof of address will not be required for Traveller families where the address is confirmed by the Traveller Education Service. A foster carer will not be required to supply proof of address for a child placed with them by a Local Authority.

The Local Authority and/or Admissions Authority must be notified of any change of address during the admissions procedure.

**Parent/Carer**
Natural parents, whether they are married or not, any person who, although not a natural parent, has parental responsibility for a child or young person. Any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child is considered to be a parent in education law).
**Parental Responsibility**
A mother automatically has parental responsibility for her child from birth.

A father usually has parental responsibility if he’s:
- married to the child’s mother
- listed on the birth certificate (after a certain date, depending on which part of the UK the child was born in)

For information on how to gain parental responsibility please click on this link.

https://www.gov.uk/parental-rights-responsibilities/apply-for-parental-responsibility

**Sibling**
For the purpose of admissions, a sibling is defined as children living at the same permanent home address. *Siblings in post 16 education are not included as siblings for the purposes of admissions.*

**Supplementary Information Form (SIF)**
In order for applications to be considered against criterion 8 applicants will need to use the appropriate Supplementary Application Form (SIF) to demonstrate their ability to meet the particular criterion. The SIF will need to be completed and signed by a member of the clergy and submitted along with the school place application.

**Appeals**
Applicants whose school place application is turned down have the legal right to appeal to an independent appeal panel against the decision to refuse admission. Details concerning how to appeal are explained in the decision letter sent out by email or post on the published dates.

**Waiting lists**
The Local Authority will maintain a waiting list for the entry year group for every oversubscribed Community and Voluntary Controlled school. This will be maintained until the end of the first term in the new academic year. The waiting list will hold the names of every child formally refused admission, in ranked order according to the oversubscription criteria. If a place becomes available within the Published Admission Number, this will be offered to the highest ranked child at that time. Children who are the subject of a direction by a Local Authority to admit or who are allocated to the school in accordance with the In-Year Fair Access Protocols, will take precedence over those children on a waiting list. The LA has delegated responsibility for waiting lists back to those schools who wish to keep a waiting list for further year groups or for longer periods of time. Please check the individual schools website for further details.

**Withdrawal of places**
The Local Authority will consider withdrawing the offer of a place at a Community or Voluntary Controlled school if;
• The place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading.

• If a school is offered on the basis of an address that is subsequently found to be different from a child’s permanent home address then that place is liable to be withdrawn.

• The parent/carer has not responded to the offer within a reasonable period of time and a further opportunity has been given for the parent to respond within 10 days having explained that the offer may be withdrawn if they do not.

Statement of Special Educational Needs / Education, Health and Care (EHC) Plans
Children with a statement or EHC plan naming a Community or Voluntary Controlled school will be admitted to that school within the Published Admission Number before any other applications are considered.

Retained or accelerated entry
The Local Authority will consider applications for retained or accelerated entry (a year group other than the child’s chronological age) to a Community or Voluntary Controlled school on a case by case basis. The reasons for the request should be fully explained on a Supplementary Information Form, to be submitted at the same time as the application form.

Issues relating to shared residency arrangements
Where shared residence arrangements are in place and parents/ carers of the child submit two separate applications for different schools, the LA requires parents to resolve matters between themselves, taking legal advice if necessary, and inform the LA which application should be processed. The LA will not become involved in private disputes. If more than one offer of a school place is made, the LA would expect one of the places to be withdrawn by the parent. If this is not the case, when the child starts school, the alternative school place will be withdrawn by the LA.

Each parent may be required to write to the Local Authority and inform them of the number of days each week the child spends with them. Where the child spends equal time with both parents the Local Authority may ask for additional information including evidence of which parent/carer is in receipt of child benefit, and/or the name of the GP surgery at which the child is registered.

Multiple birth applications (for example twins)
In the case of multiple birth applications, where it would only normally be possible to admit one child(ren) within Admission Number, a place(s) will be allocated above Admission Number at the point of allocation. This will ensure that multiple birth siblings can be allocated places at the same school (sibling definition still applies).
Children from outside the UK
The Local Authority will process applications for children who are citizens of the European Economic Area (EEA) if proof of the Somerset address and the expected date of arrival in the UK are provided by 15 January for primary phase applications and 31 October for secondary phase applications. The application can then be considered on this address. If proof of the Somerset address is not available by the dates above the application will be considered on the current address. Please click on this link for a list of the countries in the EEA http://www.dwp.gov.uk/international/social-security-agreements/list-of-countries/

The Local Authority will also process applications for UK citizens living in any other country if proof of the Somerset address and the expected date of arrival back in the UK are provided by 15 January for primary phase applications and 31 October for secondary phase applications. The application can then be considered on this address. If proof of the Somerset address is not available by the dates above the application will be considered on the current address. The only exceptions are children of UK Service personnel and other Crown servants (including Diplomats) returning to the area.

The Local Authority will not allocate a place to any non EEA citizen moving into Somerset from outside the UK prior to their arrival in the country. The Local Authority will require copies of the passports, appropriately endorsed visas and proof of residency – see home address definition.

Children of UK Service Personnel
The Admissions Authority endeavours to ensure that their admission arrangements support the Government’s commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel with a confirmed posting to the area and crown servants returning from overseas to live in the area where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided as proof of posting (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting.)

Usually, a place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel with a confirmed posting to the area and crown servants returning from overseas to live in the area. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting, The admissions authority will process the application on that address. If proof of a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.
Children Looked After (CLA)

The Local Authority will endeavour to secure a place for a CLA at the catchment or nearest school to the address at which they are placed. A local authority has the power to direct the admission authority for any maintained school (eg Voluntary Controlled, Community, Foundation and Voluntary Aided schools) in England to admit a child who is looked after by the local authority, even when the school is full. The local authority must not choose a school from which the child is permanently excluded but may choose a school whose infant classes are already at the maximum size. Before deciding to give a direction, the local authority must consult the admission authority of the school it proposes to direct. In the case of an academy a Local Authority can request that the Secretary of State consider directing the admission of a CLA.
This form must be completed and submitted to Somerset Local Authority if you would like your application for a Voluntary Controlled school to be considered under criterion 8 of the over subscription criteria relating to regular church attendance which is:

- Children and/or parent(s) who are practising members of the founding religious body of the school (e.g., Anglican or Methodist).
- Children and/or parent(s) who are practising members of other churches or religious denominations.
- “Practising” is defined as at least once a month for at least six months prior to the application closing date attendance at church by at least one parent and/or child.

Please ensure that the attached form is completed by you and signed by the relevant church representative (vicar, priest, minister, pastor, church warden) and submitted to Somerset Local Authority. It must be received by Somerset Local Authority by midnight on 9 February 2016 for primary admissions and 1 December 2015 for secondary admissions. For in year admissions it must be submitted directly to the school alongside an in year application form.

Failure to send the correctly completed supplementary information form to Somerset Local Authority by the closing date will mean that your application cannot be considered under the church attendance criterion.

Please return form to:

Notes for clergy or those responsible and authorised to sign supplementary information forms for those applying to church schools under a church attendance criterion.

The recommendation of the Bath & Wells DBE is that it is best practice to have a sub-committee of at least three members, including clergy, church wardens and those with responsibility for Sunday school to consider these requests and be authorised to sign the form if it is agreed appropriate.

Please also note that if this form is not received by Somerset Authority prior to the published deadline the child cannot be considered eligible under any church attendance criteria.

In order for the application to be considered under any church attendance criteria within the school’s admissions arrangements, the following must be ensured:

1. The DBE does recommend that the child or a parent has attended actual worship and that attendance at toddler groups or other activities that are held at the church does NOT meet the requirements.

2. The completed form must be received by Somerset Local Authority by midnight on 9 February 2016 for primary admissions and 1 December 2015 for secondary admissions. For in year admissions the parent/carer must submit it directly to the school alongside an in year application form.

3. For applicants who have recently, or are about to move to a different area, the supplementary information form should be completed by the clergy at the church where they have been regularly worshipping. It is the responsibility of the applicant to organise this and ensure that the SIF is completed and sent in on time.

Please Note:
The application process is a legal one and every effort MUST be made to ensure that applications and any supplementary forms are completed accurately and on time. If applicants are unsuccessful, they have the right to appeal. Clergy should not be pressured into signing a form if they know that the applicant does not, or are in doubt as to whether the applicant does, meet the criteria laid down by the school. This is one reason why a committee should consider every application. It is also particularly helpful where there is an inter-regnum or where clergy have been in post less than 6 months.
Please complete your child’s details then give this form to your clergy leader (priest/minister/pastor), who will complete the remaining part of the form.

**Details of Child/Children**

Applicants Name:..............................................................................................................

Childs Full Name:..............................................................................................................

Childs Date Of Birth:...........................................................................................................
