Listening, Learning, Changing The future of hubs and libraries

Somerset County Council is working with partners to bring several local services, including libraries, together into single buildings (‘hubs’). The way that people use libraries is changing, so we need to change. We have a plan for the future of the library service, which sets out how we will do everything we can to keep all libraries in Somerset open. Our plan includes changes to library opening hours.

How to get involved

We would like to hear more about how and when you use services and your views on our plans for the library service. You can let us know by:

- Completing an online questionnaire at www.somerset.gov.uk/hubsandlibraries
- Filling out a printed questionnaire available at this library
- Coming along to a public drop-in event. You can drop-in at any time during the session.

The closing date for returning questionnaires is Thursday 11 February 2016.
