Admission Arrangements for starting school in September 2019 or joining a year group during the 2019/20 academic year

Introduction

Combe St Nicholas CE VA Primary school is a Voluntary Aided School and as such the governing body is the Admissions Authority for the school.

The school was established to serve all within its community, those of all faiths and of none, and strives to offer a high quality education underpinned by a distinctively Christian ethos.

Published Admission Number

The school has an admission number of 17 for entry in the reception year in 2019.

The school will accordingly admit this number of pupils each year if there are sufficient applications. Where fewer applicants than the published admission number(s) for the relevant year group are received, the Governing Body will offer places at the school to all those who have applied.

The application process for admission to reception in 2019

Applications must be submitted to the home LA. If this is Somerset applications can be made on-line at www.somerset.gov.uk/admissions. Paper applications are available to download from the Somerset County Council website at www.somerset.gov.uk/admissions, or upon request by telephoning Somerset Direct on 0300 123 2224. Any supporting information must be received by the closing date for applications using the appropriate Supplementary Information Form (SIF) where relevant.

Applications must be received by 23:59 hours on 15 January 2019, otherwise the application will be recorded as late. Late applications will be considered after those received on time. Please see the Somerset LA co-ordinated scheme for full details.

Outcomes for on time applications will be sent out by email (for on line applicants) or second class post on 16 April 2019 (or next working day if this falls on a weekend or bank holiday).

Admissions during the academic year (in year admissions)

In year applications must be submitted directly to the school using the in-year application form which can be obtained on the school website or by request to the school office.

The Governors' Admissions Committee will consider batches of applications on a weekly basis with a 4pm deadline every Friday (term time only) for receipt of applications. If more applications are received than there are places available, the over-subscription criteria will be applied

A decision will be notified in writing to the applicant within ten school days. Where a school place is offered it will be held open for 14 school days and applicants will need to confirm acceptance within this time.

Proof of address may be required to be submitted with the application. This will be either the formal 'exchange of contracts' letter from the solicitor for a house purchase, a recent utility bill or the signing of a minimum of a six month tenancy agreement. The Governing body reserve the right to seek further documentary evidence to support a claim of residence.

Where there are more applications than places available within a particular year group, applications will be considered against the published oversubscription criteria and allocated up to the admission number/ limit.

Places will not be allocated more than six school weeks or half a term in advance of being required. The only exceptions are children of UK service personnel and other crown servants (including diplomats) returning to the UK with a confirmed posting to the area (see Children of UK service personnel).

Over Subscription Criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- 1 Looked After Children – Children who are in the care of a Local Authority or have previously been and are now formally adopted or subject to a residence/child arrangement order or special guardianship order (see important notes).
- 2 Children identified with a sensory, physical or medical disability (High Needs Pupils), where a multi-agency professional team has identified the school as the nearest suitable school.
- 3 Children who will have a brother or sister on roll at the school at the time of application.
- 4 Children who themselves, or whose parents are regularly involved in the life and worship of a Christian Church within the parish of Combe St Nicholas or any of its adjoining parishes. (Parish map available to view at the school office)
- 5 Children living within the designated school catchment area. (catchment map available to view at the school office)
- 6 Children who themselves, or whose parents are regularly involved in the life and worship of another Christian Church.
- 7 Children living nearest to the school by straight line measurement.

Tie-Breaker

If in categories 1-7 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured in a straight line by a Geographical information System (GIS) method from the geocoded point of the school site to the geocoded point of the pupil's home.

Random allocation by drawing lots supervised by someone independent of the school, will be used as a tie-break in categories 1-7 above to decide who has highest priority for admission if the distance between a child's home and the school is equidistant in any two or more cases.

However, if children of multiple birth (twins and triplets) are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

Important Notes

Criterion 1 A "Looked After Child" means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was "a previously Looked After Child" means a child who after being Looked After became subject to an Adoption Order under Section 46 of the Adoption and Children Act 2002, a Residence Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989.

Criterion 2 enables schools to plan with SEN Officers for the school entry of children with physical, medical or sensory impairments. This includes children that are in receipt of Early Years High Needs Funding and where significant capital works (eg, accessible toilets, changing space, access to classrooms) are required. The lead time on these projects mean that school place outcome dates are too late for work to be completed in time for school entry in September. However, with the support of this criterion plans can be actioned with certainty early in the year.

Catchment and Parish Maps

The catchment map can be found at;

www.somerset.gov.uk/education-learning-and-schools/choosing-a-school/check-catchment=school1/.

Parish maps can be viewed on this website;

<http://www.achurchnearyou.com/parishfinder.php>

Alternatively, a catchment or parish map can be viewed by contacting the school office.

Christian Worship

For the purposes of school admissions, the Governors define 'regular involvement with the life and worship of a Christian church' as the parent and/or child having attended a service of worship at least once per month for a minimum period of six months prior to submitting a school place application. Evidence of attendance will be required by appropriate completion of the governors Supplementary Information Form

Parent

A 'parent' in education law includes natural parents, whether they are married or not and a person other than the natural parent(s) who has parental responsibility or care of a child or young person. Having 'care' of a child or young person means that person who looks after the child and with whom the child lives, irrespective of what their relationship is with the child.

Sibling

Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the date of their entry to the school/academy

Please see the information on shared residency arrangements which will apply if necessary in order to determine the sibling's permanent home address.

Home address

A child's home address is considered to be where the child spends the majority of their time with parents or carers.

Documentary evidence of home ownership or suitable rental agreement may be required, together with proof of permanent residence at the property concerned. Places cannot be allocated on the basis of an intended future address, unless the house move can be confirmed through the formal 'exchange of contracts' or the signing of a minimum of a six month formal tenancy agreement from a letting agency. Please note private letting agreements may not be accepted as proof of residence. An address change due to a move to live with family or friends will not be considered until the move has taken place and suitable proof of residency has been obtained. Proof that a move from the previous address has taken place may also be required eg proof of exchange of contracts, a tenancy agreement showing the end date of the tenancy or a notice to quit from the landlord or repossession notice. The Governing Body reserve the right to seek further documentary evidence to support any claim of residence which could include contacting the estate agent, solicitor landlord or relevant professional. A representative of the Governing Body may carry out a home visit/s without prior notice to verify a pupil's home address.

An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. Fraudulent claims relating to the home address of a particular child may lead to the withdrawal of any offer of a school place.

Where shared residence arrangements are in place and it is necessary to determine the home address, each parent may be required to write to the Governing Body and inform them of the number of days each week the child spends with them. Where the child spends equal time with both parents the Governing Body may ask for additional information including evidence of which parent/carer is in receipt of child benefit, and/or the name of the GP surgery at which the child is registered.

Appeals Procedure

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Details of how to appeal are included in the outcome email or letter.

Information on the timetable for the appeals process is published on our website by 28 February each year.

Waiting Lists

The school will operate a waiting list for the entry year group until the end of the first term. This will be maintained by the Governing Body and any child refused a place will automatically be placed on the waiting list.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Deferred Entry

Parents offered a place in reception for their child have a right to defer entry, or to take the place up part-time, until the start of the term beginning immediately after their child has reached compulsory school age. However, places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.]

Full-time schooling

Parents have a right to a full-time place at school for their child from the September following their fourth birthday.

Summer Born Children

Parents of summer born children may request that they are admitted into reception rather than year one when they become of compulsory school age. Applications will be considered as set out below (see admission of children outside their normal age group)

Admission of children outside their normal age group

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is summer born or where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling.

When such a request is made, the Governing Body will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent. If a request is refused, the child will still be considered for admission to their normal age group.

The parent is required to make an on-time application for the child's normal age group (if relevant) but can submit a request for admission out of the normal age group at the same time. The LA will ensure the parent is aware of whether the request for admission out of age group has been agreed before National Offer Day and the reason for any refusal.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be a year 1 child for a reception place will be considered alongside applications for reception.

If a request for delayed admission is agreed, the school place application may be withdrawn before a place is offered and a new school place application will need to be made as part of the normal admissions round the following year.

If a request for a child to be admitted to school a year early is agreed, the school place application will be processed and an outcome will be sent on the National Offer Day.

If a request for delayed admission is refused, the parent must decide whether to accept the offer of a school place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

If a request for a child to be admitted to school a year early is refused, the school place application will not be processed and a new school place application will need to be made as part of the normal admissions round the following year.

There is no right of appeal against the decision not to allow your child to be admitted outside of their normal age group.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

For further information and important things you should consider please visit;

<http://www.somerset.gov.uk/education-learning-and-schools/choosing-a-school/starting-or-transferring-school-early-or-late/>

Withdrawal of places

The Governing Body will consider withdrawing the offer of a place if;

- The place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading.
- The parent/carer has not responded to the offer within a reasonable period of time and a further opportunity has been given for the parent to respond within 10 days having explained that the offer may be withdrawn if they do not.

Children from Overseas

The Governing Body will treat applications for children coming from overseas in accordance with European Union law or Home Office rules for non-European Economic Area nationals.

The Governing Body will process applications for children who are citizens of the European Economic Area (EEA) and for UK citizens living abroad. If proof of the Somerset address is not available the application will be considered on the current address. The only exceptions are children of UK service personnel and other crown servants (including Diplomats) returning to the UK with a confirmed posting to the area (see Children of UK service personnel).

The Governing Body will not allocate a place to any non EEA citizen moving into Somerset from outside the UK prior to their arrival in the country. In such cases the Governing Body will require copies of the passports, appropriately endorsed visas and proof of residency – see home address definition. Applicants who are citizens of countries from outside the EEA should first check that their visas will not be invalidated by taking up a maintained school or academy place before applying. If in doubt, parents should contact the Home Office.

Children of UK service personnel

The Admissions Authority endeavours to ensure that their admission arrangements support the Government's commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel with a confirmed posting to the area and crown servants returning from overseas to live in the area where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided as proof of posting (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting.)

Usually, a place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel with a confirmed posting to the area and crown servants returning from overseas to live in the area. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting, the admissions authority will process the application. If proof of a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.

**Church of England Voluntary Aided and Foundation
Schools in the Diocese of Bath & Wells**

**Combe St Nicholas Church of England V.A Primary School Admission
Supplementary Information Form**

This form must be completed and submitted to Somerset Local Authority if you would like your application to be considered under criterion 4 or 6 of the over subscription criteria relating to regular church attendance which is:

4. Children who themselves, or whose parents are regularly involved in the life and worship of a Christian Church within the parish of Combe St Nicholas or any of its adjoining parishes. (Parish map available to view at the school office)

6. Children who themselves, or whose parents are regularly involved in the life and worship of another Christian Church.

For the purposes of school admissions, the Governors define 'regular involvement with the life and worship of a Christian church' as the parent and/or child having attended a service of worship at least once per month for a minimum period of six months prior to submitting a school place application.

Please ensure that the attached form is completed by you and signed by the relevant church representative (vicar, priest, minister, pastor, church warden) and submitted to Somerset Local Authority. It must be received by Somerset Local Authority by the closing date for applications which is 15th January 2019 for primary admissions. For in year admissions it must be submitted directly to the school alongside an in year application form.

Failure to send the correctly completed supplementary information form to Somerset Local Authority by the closing date will mean that your application cannot be considered under the church attendance criterion.

Notes for Clergy

Notes for clergy or those responsible and authorised to sign supplementary information forms for those applying to church schools under a church attendance criterion.

The recommendation of the Bath & Wells DBE is that it is best practice to have a sub-committee of at least three members, including clergy, church wardens and those with responsibility for Sunday school to consider these requests and be authorised to sign the form if it is agreed appropriate.

Please also note that if this form is not received by Somerset Authority prior to the published deadline the child cannot be considered eligible under any church attendance criteria.

In order for the application to be considered under any church attendance criteria within the school's admissions arrangements, the following must be ensured:

1. The DBE does recommend that the child or a parent has attended actual worship and that attendance at toddler groups or other activities that are held at the church does NOT meet the requirements.
2. The completed form must be received by Somerset Local Authority by the closing date for applications. For in year admissions the parent/carer must submit it directly to the school alongside an in year application form.
3. For applicants who have recently, or are about to move to a different area, the supplementary information form should be completed by the clergy at the church where they have been regularly worshipping. It is the responsibility of the applicant to organise this and ensure that the SIF is completed and sent in on time.

Please Note:

The application process is a legal one and every effort **MUST** be made to ensure that applications and any supplementary forms are completed accurately and on time. If applicants are unsuccessful, they have the right to appeal. **Clergy should not be pressured into signing a form if they know that the applicant does not, or are in doubt as to whether the applicant does, meet the criteria laid down by the school. This is one reason why a committee should consider every application. It is also particularly helpful where there is an inter-regnum or where clergy have been in post less than 6 months.**

Please complete your child's details then give this form to your clergy leader (priest/minister/pastor), who will complete the remaining part of the form.
